Renewals: If there is no change from your listing now in the Directory, it is not necessary to complete the following section - just indicate "same as last year".
If the Directory listing is incorrect or there has been a change, please indicate corrections.

Year	Model	Series	Vehicle/Chassis Serial #	Engine Serial #	Body Style	Body #	Condition/Remarks

Below are shown the designators for Model, Series and Body Styles used in the REO Club Directory. Listing vehicles in this manner enables others to know what you have and, conversely, enables you to contact others for purposes of research and parts sourcing. If you aren't sure of each item, fill in as much as you can. Missing items can be filled in later as they become known. Thanks.
